## Churches Together in Winchester

Working Together for the City

We are planning to hold our usual Good Friday Walk of Witness and open air service again this year. Please meet at **St Peter's Church, Jewry St at 10 50am** for an act of worship before walking down to the Butter Cross for a short service where the talk will be given by Fr Mark Hogan.

### STATIONS of the CROSS At St Stephen's Catholic Church Mondays 7pm

Father Mark and St Stephen's Church continue to extend their invitation to us all to pray their weekly Stations of the Cross on **Mondays throughout Lent**.

The gatherings will include 30 minutes of readings, prayer and reflection centred on their *Stations of the Cross* wall paintings surrounding the interior of the Church.

### The Common Cup

**From Easter Day**, we shall be returning to sharing the 'Common Cup' (the Chalice) at all Parish Eucharists.

The decision has been made that we will **not** be offering the opportunity for communicants to dip the wafer into the chalice -otherwise known as intinction.

The option to kneel to receive at St Luke's will return and it will no longer be necessary to remain in your social bubble in either of our Churches.

### St Mark's Refurbishment 'Thank you' Celebration

*"The best laid schemes o' mice an' men gang aft a-gley" said Robert Burns, and as ever, he hit the nail on the head.*

The Fundraising Team for the St Mark's refurbishment project arranged a reception to thank all who, on a professional basis, had contributed to the project so far. Then, along came Storm Eunice and our plans were scuppered! But, the fizz was still in the fridge, the team ready and willing, and our shiny new kitchen keen for some canapes to cook, so we tried again. The evening was a great success and we were able to say a big thank you to many who helped make the renovations possible. **Cheers!**

**Thank you!**
